The farm exists for the farmer, posed to the uniform usages of all the siderable of the coin which is now in not the farmer for the farm. That is Protestant christrian churches of the world. A New Haven clergyman—
Mr. Harwood—while deploring the latter and quarters that have holes in would not only revolutionize life on issions of the doxology, admitted them, procuring the dollars at seventy many a farm, but would bring to an that the revisers as honest men had no cents, and the others at about one half shrupt end man an agricultural jourchoice in the matter, because it could not be found in the text. A Vermonter-Mr. Rutland-denied that the ob. ly that no one but an expert can dis. little or nothing to say of man, his socio, to the revision was a sentimental cover it, and then pass them at full wife, and his children. This state-

ment is equally true of all industries. The young man who, when he was

blunders. Mr. Henry, Connecticut, leaned toward the revision as an improvement on the King James version, which he characterizes as "a faulty transaction of a corrupt original. And so it went on, up and down the gamut of praise or blame, the predominant sentiment, however, being against the adoption of the revised edition.

The Indiana Supreme Court has decided that a fellow who pays for a game of billiards he has lost is a gam, bler, and the house wherein such an better than a brute."

Leaned toward the revision as an improvement on the King James version, will participate in the election of a merchant, farmer, or even preacher, is alighberheed nesselly, in the erection of a first-diase Wooland and street to develop a finger at the coat of a hand. The man who is only a trades man, no matter what his trade may be, has already assigned the best part of his stock in trade, and is a bank careless punctuation. The following typographical error shows the vast decided that a fellow who pays for a game of billiards he has lost is a gam, bler, and the house wherein such an better the clection of a first-diase wollon and supplied a finger at the coat of a hand. The man who is only a trades man, no matter what his trade may be, has already assigned the best part of his stock in trade, and is a bank careless punctuation. The following typographical error shows the vast first and continually a man on a large fi game of billiards he has lost is a gambler, and the house wherein such an event occurs is a gambling house.

Would the Court have the proprietors up postmasters who sell postage keep the place just for the fun of the stamps to persons in other localities where the proposition of himself and his opportunities.

side his own special work, keeping bimself informed the times by keeping himself informed of all its movements and in sympathy with them; making in short, the most of himself and his opportunities.

10.000 FOUNDS WOOL WARTED

We will pay the highest market price for Wee and sell our manufactured goods as he would not sell our manufactured goods as low as similar to the times by keeping himself informed of all its movements and in sympathy stamps to persons in other localities with them; making in short, the most of himself and his opportunities.
